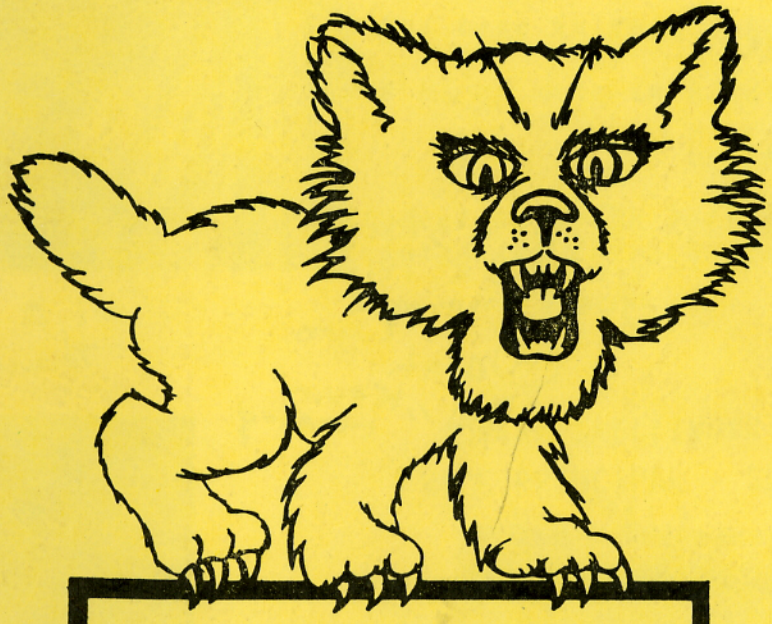
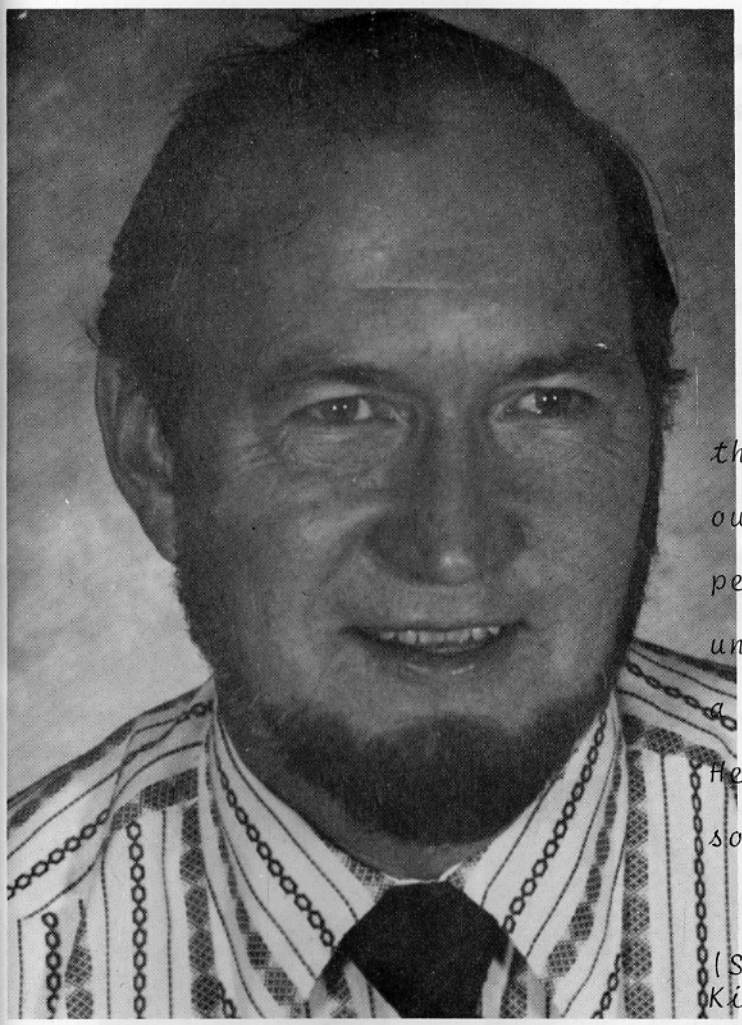
NORTH POLE ELEMENTARY



1981-82



Dedicated to Joe Widman - Principal

Mr. Widman has been very invovled in the activities of our school. He is outside with us everyday. He is also a person who cares for your feelings and understands you when you do a thing for a strange reason. He is a great Principal. He has been in this school since before some of us were in kindergarten.

by Sally Walczyk

(Student at North Pole Elementary (Kindergarten through Sixth Grade)
